In accordance with Rules 1.56 and 1.98, the references listed on Form PTO-1449 are hereby brought to the attention of the Examiner as being possibly material to examination of the subject patent application.

Applicants do not have an English translation of either French Patent Publication No. 2,209,368 or French Patent Publication No. 2,219,636. Based on the drawings, each of these references appears to disclose a method of forming disposable diapers in which the crotch region is folded inward.

Because this Fourth Information Disclosure Statement is being filed after the mailing of the first Office Action, but before the mailing of a final Office Action or Notice of Allowance, Applicants have enclosed a check in the amount of \$180.00 to cover the fee under 37 C.F.R. 1.17(p). The Commissioner is authorized to charge any additional fee required to Deposit Account No. 19-3550.

A duplicate copy of this document is enclosed.

Form PTO-1449 (one page) is enclosed with a copy of each and every reference cited on Form PTO-1449.

Respectfully submitted,
